

# Scientific Exploration at First Church Academy for Young Children Summer Camps!

Young children are natural scientists. Summer camp programs at First Church Academy are designed to foster and encourage your child's natural curiosity about the world around them. Choose from five different two-week sessions and give your child the chance to explore the amazing world of ocean life, dinosaurs and fossils, the universe, tropical rainforest and the beauty of our diverse world.

## Camp Session 1: June 17th– June 28th

### **Under the Sea**

Join us as we dive deep into the undersea world with our friend, Rainbow Fish. We'll learn about oceans, sea creatures, beaches and tides.

**Camp Session 2: July 1st– July 12th (Closed on July 4th. Tuition reduced by 1 day for 2-day and 5-day families)**

### **Let's Dig for Dinosaurs**

Become a preschool paleontologist at our excavation site. Discover hidden fossil and treasures galore!

## Camp Session 3: July 15th– July 26th

### **Zoom to the Moon**

Become a team member in our very own NASA Mission Control. Explore the vastness of space and build a rocket to parts unknown!

## Camp Session 4: July 29th– August 9th

### **Life in the Rainforest**

Join us on an expedition- from the depths of the rainforest floor to the highest tree- and the animals who make their home in this unique environment.

## Camp Session 5: August 12th– August 23rd

### **It's a Small World**

Celebrate our vast and vibrant world with a tour of the cultural contributions of our earthly neighbors. Identify foods, dances, songs and customs, and their geographic location on the globe.

**Reserve your child's spot today!**
